1. Your employees and families would identify themselves on arrival at our reception by handing in vouchers supplied to them in advance by you (We can produce these for you if you wish or you can produce your own branded version if preferred).
2. We (or your staff) issue vouchers for meals and quiz sheets together with any company souvenirs or novelties to your guests as they arrive.
3. We keep tally of all admissions and meal tokens and agree it with your company representative.
4. We issue an invoice made out to your company.

If you would like to book your company family day out or need more information please contact Helen Brown, telephone 01479 841613 or fax 01479 841384
