To make sure your party have the best possible service: choose the meal option for your group, then fax or email it to us on the form provided with the name of each child written clearly next to their meal choice. We require your meal choices at least 24hrs before your visit. During Easter holidays, Bank holidays, July and August we regret we cannot reserve seating for you in Foresters Restaurant - we are only able to offer the 'Snack Attack' from the Pinewood Grill or the 'Grab 'n Go' from the Foresters Restaurant which can be collected at any time and eaten at a place of your choice.
